**Reading and Reflection:** We will provide reading and reflection material for all sessions as we kick-start the programme. Fellows should dedicate 30 minutes every week on reading material prior to the weekend sessions and 30 minutes on reflection activities after the weekend sessions.

\*The afternoon sessions are to accommodate leaders joining from different parts of the world.

\*By the end of our 10-week programme, fellows will be mapped to their one-month part-time digital internships.

**Time commitment:** 50 hours live sessions on weekends + 10 hours of reading/reflection activities + one-month part-time internship.

\* If there is a tweak in any session timing on the weekends because of a speaker or facilitator request, we will let you know asap.
